A photograph of two women in white blazers standing at a black table outdoors. The woman on the left is holding a wine glass, and the woman on the right is drinking from a wine glass. On the table are two more wine glasses and a glass vase with flowers. The background is a blurred outdoor setting with trees and a building. The entire image has a light blue overlay.

# Ethics and Issues Statement

At *Place North*, our mission is to champion the property industry by providing reliable news coverage and safe and inclusive events.

We celebrate growing commitments to equity, inclusivity, and diversity within the built environment. We seek to foster supportive communities at our events, where voices with different perspectives, backgrounds, and ideas are heard in a safe and respectful environment.

We recognise the crucial role the built environment plays in combatting climate change. We strive to empower and encourage those who are making a difference in the sustainability realm by amplifying their stories.

Learning from each other is a key part of the Place experience. Together, we will champion the industry, celebrate its achievements, and push for continual improvement.
