OPPORTUNITIES AT UKREiIF 2024

Ethics and Issues Statement

At *Place North*, our mission is to champion the property industry by providing reliable news coverage and safe and inclusive events.

We celebrate growing commitments to equity, inclusivity, and diversity within the built environment. We seek to foster supportive communities at our events, where voices with different perspectives, backgrounds, and ideas are heard in a safe and respectful environment.

We recognise the crucial role the built environment plays in combatting climate change. We strive to empower and encourage those who are making a difference in the sustainability realm by amplifying their stories.
